Health Law Advocates invites applicants for **Staff Attorney**, Mental Health Advocacy Program for Kids in their Springfield, MA office. The primary day-to-day responsibility of the position is to provide legal representation for youth with unmet mental health needs.

HLA is a nonprofit public interest law firm that provides free legal services to Massachusetts residents with low income who face barriers to accessing health care. The Mental Health Advocacy Program for Kids (MHAP for Kids) improves the health and increases the educational success of children with unmet mental health needs. Experienced staff attorneys provide free legal representation to families with low income, advocating for access to mental health services and diverting children from the juvenile justice and child welfare systems. Learn more about us at www.mhapforkids.org.

The **Massachusetts Department of Telecommunications and Cable** (DTC) invites applicants for the open position of **Counsel II**. The DTC regulates the telecommunications and cable industries in accordance with statutory obligations imposed by the Commonwealth and the federal government. The DTC also is charged with facilitating increased access to broadband service in Massachusetts. The DTC seeks to ensure consumers receive high-quality communications at just and reasonable rates and promotes sustainable competition to increase consumer welfare for all Massachusetts residents.

The Counsel II will assist the General Counsel in carrying out the mandate of the DTC, through serving as a hearing officer on agency adjudications, performing legal and policy research on issues affecting consumers in the Commonwealth, and providing legal advice on broadband, telecommunications, and cable cases and issues as necessary to support the work of the agency.
